This office action is responsive to communications filed 08/26/2003.

Claims 1 – 9 are pending.

1. Applicant's claim for foreign priority in the instant application is acknowledged. However, the claim for such foreign priority made in this application is based on priority papers filed in parent Application No. 09/687,971 under 35 U.S.C. 119(a)-(d) or (f). The applicant is hereby informed that the claim made in the parent application is still under consideration and has not yet been approved.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Werner Stermer on 06/01/2004.

The application has been amended as follows:

Claim 9 has been cancelled.

3. The following is an examiner's statement of reasons for allowance: The prior art of record neither shows nor teaches a combination for the claimed assembly that comprises in combination with other recited elements, a fitting communicating with a control line and being opened by pressure imposed via said control line by a control device having at least two spring-loaded control valves each actuating a dedicated control part wherein the control parts are arranged at said control line and are configured to open said fitting only when all said control parts are in a position in which

Art Unit: 3753

the load on said fitting is imposed, and said control parts closing said fitting as soon as a single one of the control parts is in a position relieving load on said fitting.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
